

My Students Progress has been completely updated and is now easier to use. The website address (URL) is still the same, and you will notice the functionality and navigation from the old version of MSP is very similar to the new user interface, it is now simply easier to use. We are very excited to give you an updated version of an outstanding product. Below you will find an overview of new features and navigation.

- NEW Dashboards – Dashboard Technology is available for you, as a teacher. Dashboards provide easy access to relevant information at your school including such items as Calendar Events, Classroom Statistics, Platform Usage and much more. The dashboard displays current information in MSP in real-time.**

Teacher Dashboard:

Weather: 69°F, West Grove, PA, Mostly Sunny, 21°C
